

ICBA \ Benefits & Resources Overview

Independent Contractors Benefits Association Members have access to all ICBA resources, including ongoing educational information, quality benefits, and exclusive access to affordable resources and discounts.

\ About the ICBA

Advocating for independent contractors since 2002, the ICBA (Independent Contractors Benefits Association) is your go to resource and support for all things independent contractor. Through our membership services, we empower independent contractors like you with access to the quality benefits, resources, and tools you need to succeed at work and in life. We welcome you to our community of over 200,000 members with access to our extensive benefits, exclusive deals, and community support for you and your family – available 24 hours a day, 7 days a week.

\ Our Partners

We leverage the buying power of our members to negotiate competitive group programs with the largest insurance and benefit providers in the country. This means that you get the best benefits and resources at affordable rates. Our partners include:
